

Make parenting a little easier with these free videos!

We are pleased to provide you with helpful **FREE** videos from the **Active Parenting Online Video Library**. Here you will find short, helpful videos to help navigate all the exciting ages and stages of parenting. Each video is insightful, fun, and packed with tons of valuable information you can start using right away.

We'll give you an access code, and then you'll have 100% total access to the acclaimed video series of your choice. Watch all, watch some, watch once, watch twice—it's all **FREE!**

Let's get started

1. See below for your access code.
2. Go to www.vimeopro.com/activeparenting/acfc and enter the access code.
3. Join the millions of parents who are proud to call themselves "Active Parents"!

Access Code: ACFC150630 (password is case-sensitive)

Do you ever wonder if there's a better way to handle those daily parenting problems? Do your children forget to do their chores or do you wish you had better communication with them? Maybe you'd like to prepare for the upcoming teen years! Now you can learn proven, effective parenting skills right from the comfort of home. The ACFC is proud to partner with Active Parenting to bring you these entertaining, insightful videos. We hope you enjoy your parenting journey!
