

Come Visit

Careville's Call Center!

Introducing a New Addition to the Careville Workplace

The Careville Call Center features resources to help enhance your customer service skills—and possibly increase the satisfaction of your customers. The Call Center also has practical information on time management, balancing work and family demands, and even computer ergonomics to help keep you well.

This exciting addition to the Careville Workplace provides you with resources to assist your professional development.

Visit the Call Center today and read about:

- Dealing with Difficult Customers
- Balancing Work and Family
- Tips for Effective Listening
- Ergonomics for Computer Workstations
- And much more

To get to the ACFC Call Center, visit www.ACFCcares.com, and select the link to Careville on the home page. You will then need to click on the Workplace building. The Call Center is located in the Workplace.
