

# EVER NEED A PERSONAL TUTOR?

Parents, you know what it's like. From kindergarten through high school, and even in the early years of college, sometimes your child could use a little assistance. That's where the online tutors at **MY TUTOR** come in. And if you're returning to school, you can use the program too.

- **WHO:** Professional tutors who are experts in math, science, social studies, and English—and in helping students to learn.
- **WHAT:**
  - o One-on-one web-based teaching. Free. Confidential.
  - o *Student Center:* Help for students, kindergarten through high school (including AP courses).
  - o *College Center:* Help for teenagers and returning-to-school adults who are taking introductory college courses.
  - o *Career Center:* Guidance writing a resume, preparing for interviews, and searching for jobs.
  - o *The Writing Center:* Help with reports, essays, and papers.
- **WHEN:** Any time from 2:00 pm to 1:00 am Eastern Time, seven days a week.
- **WHERE:** From anywhere that has Internet access.
- **WHY:** Because **MY TUTOR** can help you and your child or teen get the most out of school.
- **HOW:** Students go online and specify the subject area and grade. They are then connected to tutors who guide them through their assignments via shared online whiteboards, documents, and software, helping them learn what they need to know to finish their homework.
